

Nebbiolo d'Alba
Superiore
San Ponzio
2016

Vintage description

The 2016 harvest was characterized by a slow pace. Since the bud break, and then also in the summer, the vines were constantly lagging behind the norm. Only in August and September there was a partial recovery of the schedule. In any case, this particularity has somewhat protracted up to the harvest where it has become an advantage. In this phase, in fact, we had the time to pick the grapes and sort them in a particularly accurate way.

Grapes: Nebbiolo - **Harvest:** October – **Village:** Monticello d'Alba, Roero Area - **Vineyard:** San Ponzio-
Maceration: 8 days - **MLF:** 100% - **Ageing:** in one single cask of 35 hl - **Duration of ageing:** 18 months in cask, then in bottle

Data

Alcohol: 14,50 % vol -Total acidity: 6,19 g/l – Dry extract: 29,4 g/l

Winemaker Note

2016 San Ponzio shows the beauty of a great year, with dark notes and multilayered complexity.
